## MATERIAL REQUIREMENTS

### Placement:

All ads are ROP (Run of Publication) except where an advertiser has specifically paid for a preferred or guaranteed position. Important note: 2025 Preferred Position advertisers have right of first refusal for 2026.

### General Guidelines:

Color ads are defined as using 2 or more of the process colors (Cyan, Magenta, Yellow and Black). Special colors are not available. Any and all supplied materials are presumed to be correct and in accordance with SWOP and stated requirements. Publisher will not be held liable for printing complications which may arise due to receipt of non-conforming materials. Publisher cannot guarantee legibility of 4-color reverse type below 10 point and black & white reverse type below 6 point. If we encounter a minor problem with your ad, we will attempt to fix it and let you know what the problem was. If we cannot fix it, we will ask you to correct the problem and submit a revised file assuming our deadline permits it.

### Prep Specifications:

- 150 line screen / 300 dpi.
- If at all possible, do not compress your files.
- For advertising materials supplied with request for use of Pantone Matching System inks, publisher reserves the right to convert to process match colors. Offset reproduction may not match computer generated color proofs.

### File Format:

- High resolution CMYK PDF with fonts embedded
- JPG at 300 dpi
- Native InDesign for Mac with fonts and graphics

**Submitting Files:** Email files to [production@orangem.com](mailto:production@orangem.com)

**Space Reservation Closes:** Friday, March 20, 2026

**Materials Due:** Friday, March 27, 2026
